

WATER COOLER

# FLUX PC-1001

Introducing FLUX PC-1001 – combining durability and functionality. This wall-mounted dispenser features a rugged stainless steel body and food-grade SS304 tanks for safety and longevity. Enjoy hot (70-95°C) and cold (7-10°C) water with ease, guided by the hot LED indicator. With over-temperature protection and EZ maintenance, FLUX PC-1001 is your reliable solution for convenient and efficient water access.
